Letter from the Chop

Welcome Shipmate. The USSVI Northern Virginia Base Storekeeper Catalog provides a listing of the various USSVI and submarine related merchandise that is currently available in the Base inventory.

The catalog is arranged by related material, e.g., pins, patches, decals, misc., etc. The catalog includes a picture of the product, product item number, and sell price. The sell price does not include shipping cost that may be added if the ordered item is not delivered at a Base meeting.

To place an order simply let me know what you want and whether you want to pick up the item at the next Base meeting (no shipping cost) or mail it to you (shipping cost added).

If you do not see the item you are interested in, just let me know and I can reach out to the various vendors that I work with to attempt to find the item desired. Once found, I will let you know the sell price and estimated shipping cost, if any. I can then special order the item for you.

If you find an item on the USSVI National Storekeeper website, I encourage you to let me order the item for you as the Base receives a discount for our fundraising efforts.

CA Martin

Storekeeper, USSVI Northern Virginia Base
