[A submarine birthday greeting from RADM Steven Maas, SC, USN (Ret.), President, Board of Directors, Dolphin Scholarship Foundation is included at the end of these minutes.]

The **50/50 raffle** was won by Pat Haller who donated her winnings back to the Base.

### **TOLLING OF THE BOATS:**

"The "Tolling the Boats" ceremony was originally established by the U.S. Submarine Veterans of World War II. It is a unique and time-honored memorial service and is in keeping with the finest traditions of the Navy. Custom has established that this ceremony be formal, and it honors the memory of those submariners who lost their lives in the line of duty, and especially those who perished during World War II. In the heart of the ceremony the names of each of the U.S. submarines lost, along with the fate of its crew, are read aloud as a bell is tolled for each in turn."

The solemn Tolling of the Boats ceremony was conducted using the Base presentation with candles being extinguished at tables by the attendees after each boat's name was read. The Treasurer and VCDR split the duties of reading the script and the COB rang the ship's bell after each boat's name was called. The ship's bell was then rung for the 42 NOVA Base members on Eternal Patrol.

After the ceremony, a sparkling wine/cider toast to the past, present, and future U.S. Submarine Service was offered by the Base VCDR.

The next meeting will be at 1100 on May 11<sup>th</sup> for the 2024 Holland Club Induction and Luncheon Ceremony at Amphora Diner Deluxe, 1151 Elden St., Herndon, VA 20170). Dress is Service Dress Blue, Equivalent Civilian Business Attire, or USSVI vest and tie. The invitation to the membership will be sent out by the Base CDR this week.

The Benediction was delivered by the Secretary.

The CDR adjourned the meeting at 1121.

## ***Happy 124th Birthday, Submarine Force!***

Yesterday morning I was walking our sheepdog on a nearly deserted beach. I encountered another walker, who noticed my "NAVY" ball cap and thanked me for my service. I replied, "thank you, it was an honor to serve." She said her son was an Army Major and he currently flies Apache helicopters along the DMZ in Korea. She then asked me what I did in the Navy, and I said I was a Supply Corps Officer, and spent over half my career in the Submarine Force. She responded, "That seems so dangerous, I don't know how you all do that." As we parted ways, I reflected on her comment. Her son is in about as dangerous a place as I can imagine, with a high danger potential job, and she wondered how we submariners can do what we do.

We do it because we love the challenge and the camaraderie of submarining, and for the most part, we take the danger, isolation, and the demands of operating our ships in a hostile and unforgiving environment as "routine." The Submarine Force has been a cornerstone of our Nation's defense for over a century. We were a key to victory in our war in the Pacific in World War II, and paid a terrible price in the loss of 52 submarines. We may well be called upon to secure the blessings of freedom in the future, and must never take our importance or contribution for granted.

I wish all of the men and women who have served or are serving in the Submarine Force, and the families who support them a Happy Birthday!

RADM Steven W. Maas, SC, USN, (Ret.)  
President, Board of Directors  
Dolphin Scholarship Foundation
